R.M.SMYTHE

Established 1880

Where historic paper collections of the world are researched, auctioned, bought and sold.

TERMS OF SALE

1) A 10% buyers charge will be added to the hammer price of each lot purchased.

2) All bids are per lot as numbered in this catalogue.

3) Bids less than 50% of the estimate **will not be accepted.**

4) We reserve the right to withdraw any lot prior to sale.

5) All successful bidders shall be billed for postage, handling and insurance.

6) **We cannot be responsible for the loss of any merchandise shipped outside the United States.**

7) **All framed items are shipped at the purchaser's risk.**

8) SMYTHE reserves the right to **reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.**

9) A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.

10) United States coins and currency will not, in conformity with law, be opened at less than face value.

11) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.

12) In the case of a tie between a mail bidder on the book and a bidder on the floor, the mail bidder shall take precedence.

13) **All bids must be in whole dollar amounts; this includes percentage increases.**

14) **Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.**

15) No minors may participate in our sales. **Agents bidding on behalf of others will be held liable if their principals fail to make payment.**

16) Payment for purchases is to be made by cash, check, money order or bank wire upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1-1/2% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. Credit cards will not be accepted for auction purchases.

17) Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.

18) If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgement shall be borne by the defendant. The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

19) SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer

20) In the event of dispute, the auctioneer's decision is final.

21) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.

22) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.

23) In the event of unsuccessful litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the New York prime rate from the date of actual disbursement.

24) The same protections applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.

25) SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.

26) All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice.

27) All material in this catalogue is unconditionally guaranteed to be genuine.

28) No lots may be returned by floor bidders except for non-authenticity.

29) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.

30) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (30 days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.

31) The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospeetive buyer shall have recourse as a result of any postponement.

32) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**

Condition Terminology For Paper

Gem Unc. (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.
Choice Unc. (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.
Unc. (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.
Choice AU (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.
AU (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.
EF (Extremely Fine) - An item which may, at first glance, look uncirculated, but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.
VF (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.
F (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.
VG (Very Good) - A well-circulated item, complete, unimpaired except for petty tears and splits, pin holes, some surface splitting along heavy folds and soiling.
Good - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.
Fair - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.
Poor - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.
Abt (before a grade) - A shade below the grade it precedes.
Plus or + (following a grade) - A shade better than the grade.
VF-EF (hyphen between grades) - The grade is about halfway between the two grades shown.
VF/Good (slash between two grades) - Face and back are two different grades. The grade preceding the slash is for the face. The grade following is for the back.

Demand Notes

001 **$5. Fr.2.** 1861. **Philadelphia.** No.10761. **Fine.** Nicely centered, and with adequate margins. **(Photo)** *($750-Up)*
Demand notes were the first United States paper money to be readily accepted in everyday commerce. This is the only series that does not have the Treasury Seal or the names of the Treasurer and Registrar. Originally obtained from Abe Kosoff, this example was illustrated in a 1976 Rag Picker article.

Legal Tender Notes

002 **$1. Fr.16.** 1862. No.73299. **Choice Almost Uncirculated,** perhaps better. Minor teller handling, upper right, and a light bend near the left border. Scattered glue traces in the margins, perhaps from being mounted in an exhibit, and there are two, tiny translucent brown "fly spots", one near the center and the other in front of Chittenden's signature. Bright, with vivid seals and overprints. The top margin is trimmed into the outer border near the right side only. Completely original, and worthy of a premium bid. **(Photo)** *($375-Up)*

003 **$1. Fr.18.** 1869. No.B4007099*. **Choice AU.** A nicely centered, problem free "Rainbow" note with just one vertical fold. **(Photo)** *($450-Up)*

2004 **$1. Fr.26.** 1875. No.K5596299. **Choice Crisp Unc.** One tiny pinhole (top border, through "R" in "FOR") away from **GEM.** *($250-Up)*

2005 **$1. Fr.29.** 1880. No.230450859. **Choice CU,** and perhaps better. *($250-Up)*

2006 **$1. Fr.30.** 1880. No.Z49744761. **Choice Crisp Uncirculated.** *($250-Up)*

2007 **$1. Fr.40.** 1923. No.A1619384B. **Crisp Uncirculated.** The bottom margin is narrow and irregular. *($120-Up)*

2008 **$2. Fr.42.** 1869. No.E3706530*. **Fine-VF.** The left margin is uneven, but quite adequate. Nice for this grade. *($200-Up)*

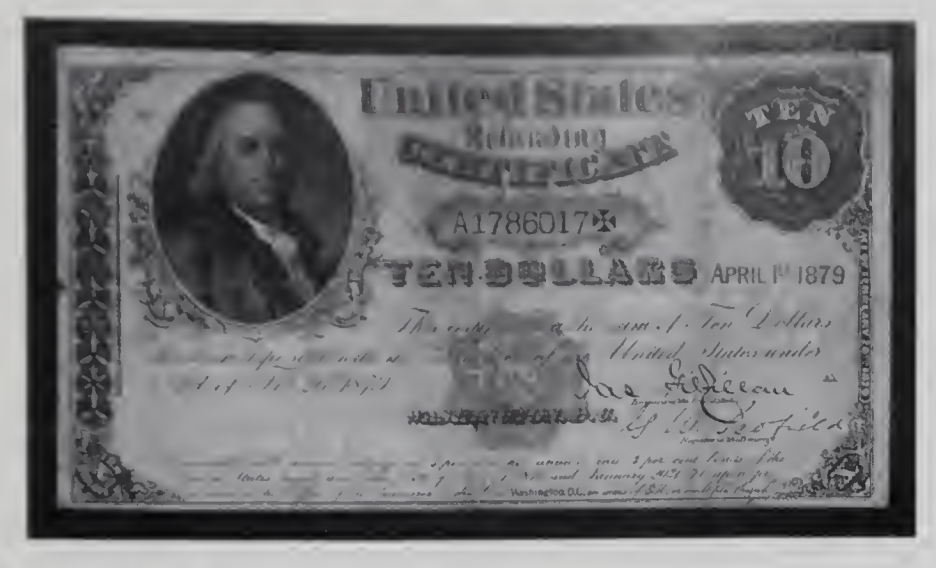
2009 **Large Size Legal Tender Notes.** [2] *($150-Up)*
1) **$2. Fr.60.** 1917. **Choice AU.** 2) **$5. Fr.88.** 1907. **EF-AU.**

2010 **$5. Fr.63b.** 1863. No.98361. **EF** or so. Three light vertical folds. Crisp and bright, with very few signs of aging. There is a tiny split at the center of the bottom border. *($300-Up)*

2011 **$5. Fr.64.** 1869. No.K3387795*. **Crisp Uncirculated.** Nicely centered, and there are no apparent folds or bends, but three of the corner tips are lightly rounded. The heavily inked lower left serial number has bled through to the back. **(Photo)** *($400-Up)*

2012 **$10. Fr.121.** 1901. No.E19949363. **EF-AU.** Bright and crisp, with one light vertical center fold and two other barely discernible side folds. Perfectly centered, this example looks **Uncirculated** from the front. **(Photo)** *($600-Up)*

Refunding Certificate



2013 **$10. Fr.214.** 1879. No.A1786017. Heavily quarter folded, and the upper right quarter of the back is a bit soiled. There are numerous pin hole size body holes along the folds, and a one mm hole in Franklin's lapel. There are three small "nibbles" in the margins. Otherwise, the note appears to be **About Fine.** A suitable candidate for restoration. Unreported in *Gengerke*. **(Photo)** ***($400-Up)***

Silver Certificates

2014 **$1. Fr.215.** 1886. No.11607894. **Choice Crisp Uncirculated.** Almost **Gem;** the centering is not quite perfect. **(Photo)** ***($700-Up)***

2015 **$1. Fr.223.** 1891. No.E21820464. **Crisp Uncirculated.** There are two light vertical bends, probably from teller handling only. The seals and serial numbers are sharply embossed, and the colors are bright and vivid. **(Photo)** ***($300-Up)***

2016 **$1. Fr.224.** 1896. No.5719828. **EF-AU.** At first glance, this nicely centered, crisp and bright "Educational" note appears Uncirculated. Close examination of the back reveals a few diagonal bends, none of which are heavy enough to call folds. Premium quality for this grade. **(Photo)** ***($380-Up)***

2017 **1899 Vernon-Treat Silver Certificates.** [2] ***($240-Up)***
1) **$1. Fr.228. Crisp Uncirculated** with just a trace of teller handling, right. 2) **$2. Fr.251. EF.**

2020 **$5. Fr.263.** 1886. No.B29668797. **About Fine.** Light stains in the bottom and right margins and borders, but the silver dollar vignette on the back is crisp and sharp. ***($200-Up)***

2021 **$5. Fr.268.** 1896. No.7649577. Fold splits, foxing spots top center and lower right, otherwise **About Fine.** ***($150-Up)***

2030 **$5. Fr.362.** 1891. No.B2616149*. **Virtually Uncirculated,** with minor teller handling, right, and a few wrinkles in the paper, as made. A Choice and Unusual Consignment of High Grade Federal Type Notes

A Few Words On The Grading of The Federal Notes in This Section

We always try to grade notes in our sales conservatively, and in accordance with widely-accepted industry standards. Grading currency is not an exact science. There will always be differences of opinion. Many of the notes in the following lots were especially difficult to grade because of their extraordinary color and natural freshness and brightness. They are clearly original, and untampered with in any way, and that is what makes them so desirable. Included are a few cut sheets, consecutively-numbered pairs, and serial number runs (with a note or two missing). These are clearly notes that did not circulate, but they may have a light bend, a pinhole, or other signs of teller handling.

A bend is not a fold. A fold leaves a permanent impression on one or both sides of the paper. A bend becomes invisible when the note is placed in a holder or album page; a fold remains visible. Teller handling is what happens when a cashier counts money. A corner may get a bend, paper may be lightly wrinkled or faintly smudged. The grading question that arises from all this is "Can a note be called Uncirculated if it has teller handling that includes bends, light smudges, or wrinkles?" We think the answer is "yes", but with some qualifications.

If a note has a true fold we do not describe it as "Uncirculated". If a note has a fold that has been pressed or treated in any manner for the purpose of improving the grade we do not call it "Uncirculated".

Our main purpose in grading and describing notes is to help you establish the value of each lot. This particular offering contains many examples that are extraordinary for their color, brightness, and natural crispness, and we have tried to convey those characteristics to you.

We welcome your comments.

Legal Tender Notes

2050 **$1. Fr.37.** 1917. **Cut Sheet of Four.** No.E81456265-68A. **Crisp Uncirculated.** Fresh, bright and original. There are two very light bends from teller handling, otherwise quite **Choice.** The third note has a tiny ink spot beneath the Treasury Seal. Nicely-centered. Well worth the estimate, and perhaps more. [4] **(Photo)** ***($350-Up)***

2051 **$2. Fr.60.** 1917. **Consecutively Numbered Pair.** No.D81216619-20A. **Crisp Uncirculated.** Just the slightest traces of teller handling, and the top margin is trimmed just into the border at left. [2] ***($200-Up)***

2052 $2. Fr.60. 1917. **Consecutively Numbered Pair.** No.D81216621,22A. **EF-AU, Crisp Uncirculated.** Another pair from the same serial number range. Bright and fresh, but the first has folds in the lower right corner from teller handling, and the second has a close cut top border. [2] **($150-Up)**

Bison Star Note

2053 **$10. Fr.122.** 1901. No.*464656B **EF-AU.** The intensely vivid, cherry red "TEN", "X", Treasury Seal and serial numbers, and the fresh, bright, completely natural appearance of the paper clearly indicates that this scarce note saw little or no circulation. This example is vastly superior in color and brightness to many notes we have seen described as "Choice Crisp Uncirculated", and it should be valued accordingly. **(Photo)** ***($1250-Up)***

The last published census of Friedberg 122 star notes is 22 examples. The Tom Conklin sale (11/1995) specimen was only About Fine and realized $605.00. The current (1985 edition) Murray catalog lists this star at $3750 in AU/CU.

2054 **$10. Fr.122.** 1901. No.42784837. **Choice AU.** While this example may not meet the technical definition of **Crisp Uncirculated** it has the appearance of a note that has experienced little or no circulation. The seals and serial numbers are brilliant cherry red, and firmly embossed. The corners and edges are razor sharp. There is a light trace of soiling near the top center, and a single, almost invisible pinhole, but the centering is excellent and the paper retains that crisp "snap" found only on notes that are completely original. Two light bends, one vertical, and one horizontal, are barely detectable. **(Photo)** ***($700-Up)***

Cut Sheet of "Bisons"

2055 **$10. Fr.122.** 1901. No.E60419849. **Crisp Uncirculated.** Nicely-centered and naturally bright and crisp, but there are some light teller handling bends and faint smudges in the side margins. The embossing is deep and corners are sharp. Well worth the estimate, and perhaps more. **(Photo)** ***($650-Up)***

2056 **$10. Fr.122.** 1901. No.60419850. **Crisp Uncirculated.** There is a light diagonal paper bend above the bison's neck, and a few other minor signs of teller handling. Naturally bright and crisp, and a perhaps a shade nicer than the previous note. **(Photo)** ***($700-Up)***

2057 **$10. Fr.122.** 1901. No.60419851. **Crisp Uncirculated.** Similar to the previous example. **(Photo)** ***($700-Up)***

2058 **$10. Fr.122.** 1901. No.60419852. **Choice Almost Uncirculated.** The right corner has been "pinched" from teller handling. Whether or not this disqualifies the note from being graded **Uncirculated** can be argued either way, but this example is as naturally bright and crisp as many notes we have seen advertised as **Choice Uncirculated,** and it is certainly worth the estimate or more. **(Photo)** ***($600-Up)***

2059X **$10. Fr.122.** 1901. **Cut Sheet Consisting of the Four Previous Lots.** No.E60419849-52. [4]
We will open this lot at 5% above the total bids on the four previous lots. If that opening bid is met, or exceeded, the cut sheet will be sold as Lot 2059X, and the four individual sales will be voided.

2060 **$10. Fr.122.** 1901. No.59367646. **EF-AU,** but perfectly centered, and the natural color and crispness of the paper is comparable or better than many notes we see advertised as **Uncirculated.** Three very light vertical folds. Strong embossing and razor sharp corners. **(Photo)** ***($650-Up)***

2061 **$10. Fr.122.** 1901. No.42784838. **EF-AU.** Similar to the previous note in color and freshness, but the top margin is a bit narrower and there is a small pinhole, hardly discernible. **(Photo)** ***($600-Up)***
The last "Bison" from this remarkable grouping.

Superb Run of Choice "Chiefs"

2072 **$5. Fr.274.** 1899. No.25912073. **Crisp Uncirculated.** Perfectly-centered, nice, but there are a few light bends and wrinkles from teller handling only. The original color and natural brightness are all there. Well worth the estimate, and perhaps a premium. **(Photo)** *($600-Up)*

2073 **$5. Fr.274.** 1899. No.24921588. **Choice EF-AU.** Two whisper-light horizontal folds and a vertical bend, otherwise **New.** The centering is a bit high to the right, but the color and freshness more than makes up for these minor imperfections. *($500-Up)*

2074 **$5. Fr.278.** 1899. No.M86754094. **Crisp Uncirculated.** The centering is a little off, and there are a few horizontal bends from teller handling only. Always in demand! **(Photo)** *($600-Up)*

2075 **$5. Fr.278.** 1899. No.M68754096. **Crisp Uncirculated.** A bit off-center, and there is a light horizontal wrinkle in the paper at left, but always popular in high grades. *($600-Up)*

2076 **$5. Fr.278.** 1899. No.M86754098. **Almost Uncirculated.** Crisp and original, with one light vertical fold, right, an even light horizontal bend, and a single, almost invisible pinhole. Three Consecutively-Numbered "Chiefs"

2077 **$5. Fr.278.** 1899. No.M84137931. **EF-AU,** perhaps better. There are three light horizontal bends. Nicely-centered, fresh, bright and naturally crisp. One tiny pinhole in the headband. ***($450-Up)***

Last of this threesome, and the top note of the next sheet. Sadly, some of the cut sheet mates in this serial number run must have been disposed of years ago.

2080 **$5. Fr.278.** 1899. No.M84137936. **Crisp Uncirculated.** There is a pinhole below the "C" in "AMERICA" and a pin scrape near the last "A", but neither detract from the fresh, crisp, natural appearance of this popular issue. **(Photo)** ***($575-Up)***

2081 **$5. Fr.278.** 1899. No.M84137939. **Choice Almost Uncirculated.** There are three very light vertical bends, visible only from the back. A tiny pinhole is barely visible in the "Chief's" bonnet. Fresh, bright and natural. **(Photo)** ***($550-Up)***

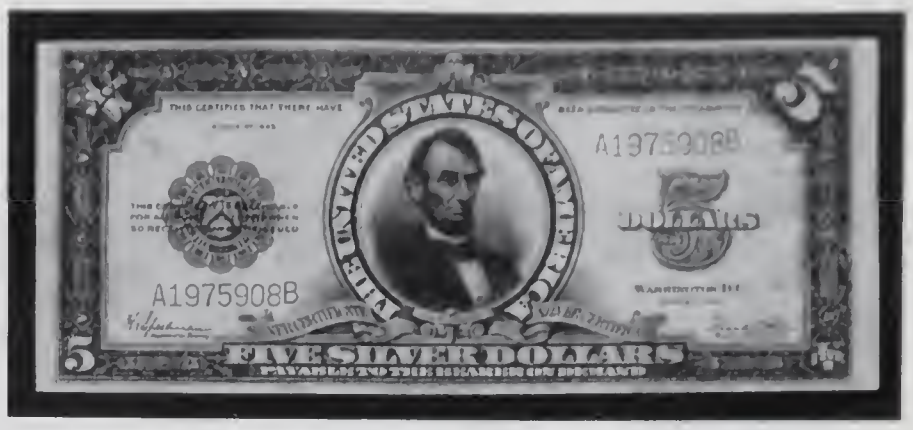
"Porthole Note"



2088 **$5. Fr.282.** 1923. No.A1975908B. **Choice AU.** A light fold extends from below Lincoln's portrait to the right edge of the note, and there are signs of what can only be described as "light teller handling", because this example has the crispness of a brand new note. Well centered, with vivid, original color and brightness. **(Photo)** ***($550-Up)***

A Pair of "Tombstones"

2089 **$10. Fr.304.** 1908. No.D112312. **EF-AU.** Fresh and original, with three vertical bends that can hardly be seen from the front. The centering is excellent. Hard to find in this state of preservation. **(Photo)** ***($600-Up)***

2090 **$10. Fr.303.** 1908. No.B250835. **EF.** Perfectly-centered, this **Choice** example looks **New** from the front. There is a light vertical fold visible on the right side of the back of the note, and a few others, almost undetectable. **(Photo)** ***($600-Up)***

How To Get the Best Results When Bidding in a Mail Bid Sale

Bidding in mail bid auctions can sometimes be a real challenge, but mail bid auctions are real opportunities for collectors to acquire items that may be hard to obtain any other way. Experience has taught us ways to minimize frustrations, and maximize results, and we would like to share some of those ideas with you. Here are the questions we are asked most often and some of the suggestions we have made to bidders. We think they will save you time, money and help you win lots you might otherwise miss.

"I can't come to your office to view lots, but I want to know more about a particular lot before I bid on it."

Lots are available at the times and places posted in the front of the catalogue. We often bring lots to conventions, and there is no better way to learn about numismatics than to attend a convention, view auction lots, and talk to dealers and collectors. But if you can't be there, here is how we can help you get a better idea of what you are bidding on:

1) **Call us, and we will be happy to have one of our experts describe any lot you ask about.**
2) **We can arrange to copy most items and we will FAX or mail the copies to you at a nominal charge.**
3) **If you have established credit with us we may be able to ship lots to you for direct viewing.**

Please realize that requests for phone assistance, for copies or for shipping lots directly to you **must be arranged well in advance of the closing date of the sale.**

"I have a limited budget and although there are many items I would like to bid on, I am afraid of exceeding my budget."

There is an easy way to solve this problem. It is called **a "limit" bid sheet.** Let's look at an example. Mr. Smith collects Confederate notes and he sees that there are over thirty lots he would like to buy. His budget is $1,000, but the estimates on the thirty lots he likes adds up to well over $5,000. If he bids on all thirty he might win them all and exceed his budget. To be safe, he bids on only ten, and he wins only one lot for a $100. Mr. Smith is disappointed because he missed the chance to bid on all thirty lots. **He could have bid safely on all thirty lots and increased his chances of improving his collection by submitting a "limit" bid sheet.** Here is how it works.

Mr. Jones has the same collecting interests as Mr. Smith. He has the same $1,000 budget. Mr. Jones bids on **all thirty lots** he is interested in. He writes at the bottom of his bid sheet **"Please limit my total bids to $1,000."** Every time Mr. Jones wins a lot we keep track of his total spending. When the total reaches $1,000 we will stop applying his bids. We did what he would have done had he been at a live auction. We spent only what he budgeted for.

There is a special advantage to limit bidding in a mail bid sale - the bids can be listed in order of your preference. List the lots you want most first.

"I see that there are two similar lots in the sale. I want only one of them, not both of them."

This problem can be solved with an **"OR"** bid. Let's assume that Lot #101 and Lot #102 are identical. You wish to bid $200 on either one, but you don't want both. Write the following on your bid sheet and you can accomplish your goal:

"#101 OR #102 at $200"

If you win Lot #101 we will cancel your bid on #102.

"What if there are three similar lots and I only want one?"

"#101 OR #102 OR #103 at $200" will work perfectly.

"When I don't win a lot I often seem to loose it by just a few dollars. It almost looks as if someone knows what I am bidding and they bid a little more. What is going on?"

Every auction house has its own way of closing a mail bid sale. Some houses will tell bidders exactly how much the highest bid is at any given moment right up until the end of the sale. We feel this is unfair, because anyone who is able to get through by phone near the end of the sale can top anyone else. If auctions are closed in this manner clients who are "friends of the house" have a distinct advantage and can top other bidders at the end. Those who bid early are at a disadvantage. To eliminate this problem **we don't give out information on what the highest bid is.** We advise bidders to bid exactly as much as they are willing to spend on a lot, and where possible, if they win a lot we reduce their bids to an increment just above the next highest bidder (there are exceptions - please see the Terms of Sale).

We think this method is fair to everyone involved, but it does result in bidders sometimes losing lots by $1, or $5 at times. If Mr. Jones bids $100 on an item and Mr. Smith bids $101, we have no choice but to award the lot to Mr. Smith for $101.

"I bid $30 on a lot that was estimated at $100 and I didn't get the lot. Later, when I got the Prices Realized the lot was reported as unsold. Why didn't I get the lot?"

The Terms of Sale state that bids less than 50% of the estimate will not be accepted. As auctioneers, we have a responsibility to the consignors as well as the bidders. Any bid that is considered to be less than the "...regular market value..." of the item may be rejected by the auction house. Keep this in mind when making bids below the estimates given.
